

Frosh Must Be Quick, Upperclassmen Cannot Lag

Every full time undergraduate student who is subject to the draft must request the school to submit form SSS-109 to his local draft board in order to obtain or renew a draft deferment from military service.

Freshmen should be prompt in submitting their request for filing the form. Students who have reached age 19 years and six months will probably be drafted if the form has not been filed with their local boards within thirty days after the close of the academic year ends on June 13, 1953.

Upper class students who are currently deferred should remember that their deferment must be renewed each year. Therefore, all male upper-class students should submit new requests for form SSS-109 to be filed with their draft boards prior to June 13, 1953.

Information pertaining to selective service and filing form SSS-109 may be obtained in the office of the Assistant Dean of Men.

According to the 1951 Universal Military Training and Service Act and other laws, the following classifications have been defined:

Class 1-A—Available for military service.

Class 1-D—Member of reserve component or student taking military training.

Class 1-S—Student deferred by status; any registrant who is satisfactorily pursuing a full-time course of instruction at a college or university and is ordered to report for induction shall, by statute, be placed in class 1-S and retained in such class until the end of his academic year, or until he ceases to pursue satisfactorily such course of instruction, whichever is the earlier. Except, no registrant shall be placed in class 1-S who previously was placed in class 1-S, or who, prior to June 19, 1951, had his induction postponed, or was deferred as a student.

Class 2-S—Registrant deferred because of activity in study; a registrant shall be placed in class 2-S when his activity in study is found to be necessary to the maintenance of the national health, safety, or interest. Undergraduate student will be deemed eligible for a class 2-S status if he has successfully completed his first year at a college, university or similar institution of learning and achieved a scholastic standing in his first year's work which ranked him for such first year within the upper one-half of the class, or has attained a score of 70 or more on the qualification test. In addition, the registrant must have been accepted for admission to the subsequent year for a full-time course of instruction or must have entered upon and be satisfactorily pursuing such course.

The same criteria apply to each of the subsequent years except that in each year after the first, the scholastic standing shall be based upon the work of the last com-DRAFT on Page 2

WAA Schedules Banquet Next Week

The annual Women's Athletic Association Banquet will be held on Wednesday at Kugler's at 6:30. All varsity and junior varsity players of the past year as well as faculty guests have been invited.

The featured speaker of the evening will be Mrs. Dorothy Porter, a noted athlete. First-year awards, blazers, and other awards will be presented during the course of the evening.

Wilson Line Ride Open to Students

Saturday night, June 13th, marks the date of Delta Kappa Rho's Annual Boat Ride. This year, as in the past, the Wilson Line's Delaware Belle will leave Chestnut Street Wharf at 8:45 p.m. for three hours of dancing and entertainment. Music for your dancing pleasure will be supplied by Chuck Gordon and his orchestra.

This unusual affair promises to provide an evening of relaxation after a hard week of finals. Tickets may be acquired in the Court any day the week before the boat ride.

Last Call Given Seniors Planning For Graduation

All members of the June 1953 Graduating Classes are urged to pay particular attention to the following information in regard to preparing for events connected with Commencement exercises. The time and date of several events should be carefully noted.

1. Be sure that your name is listed with the Registrar's Office exactly as you wish it to appear on your diploma.
2. Be sure that you have paid the required fee for your diploma or degree at the Comptroller's Office.
3. You should have ordered your academic clothing through the Book Store. A deposit will be required. Graduates not in residence during the present term may order academic clothing by mail. State your name, degree, height, weight, hat size, chest measure.
4. You should have ordered your Commencement Announcements through the book store.
5. Rehearsal. Rehearsal for all graduates of the several Day courses and of Graduate students, will be held in Convention Hall, at 10:00 a.m. Friday, June 12. Graduate students who cannot attend this rehearsal, may attend the rehearsal of the Evening College students at 6:15 p.m., June 9, in the Drexel Auditorium.
6. Baccalaureate Services will be held in the Drexel Auditorium on Friday, June 12, at 8:00 p.m. Academic costume will be worn. Attendance at Baccalaureate is required of all graduates of the day courses. Graduates of the evening courses are also welcome to attend the Baccalaureate Service, but attendance is not required.
7. The President's Reception in the Court will follow the Baccalaureate Service. Your parents and friends are cordially invited to attend this reception as well as the Baccalaureate.
8. Commencement will be in Convention Hall, 34th Street below Spruce Street, on Saturday, SENIORS on Page 2

Seniors Start Gala Week With Buffet Supper and Square Dance; Sarnoff Speaks at Graduation

Dr. James Creese announced early this week that Brigadier General David Sarnoff will be the speaker at the 1953 graduation exercises to be held in the Academy of Music.

General Sarnoff, who spoke here at the Engineer's Day activities, is the present chairman of the Board and Chief Executive Officer of the Radio Corporation of America. Born in Russia in 1891, Sarnoff came to this country at the age of nine. He entered radio communications field at fifteen and in 1917, was appointed Commercial Manager of the Marconi Wireless Telegraph Company of America. In 1919, when that company was absorbed by expanding R.C.A., he became the Commercial Manager of the new merger. In 1930, at the age of thirty-nine, Sarnoff was elected President of R.C.A.

The many honors this outstanding industrialist has received date back to 1944 when the Television Broadcasters' Association gave him the title of "Father of American Television." Since that time, Sarnoff has been the recipient of the Honor Medal, which was the first annual award given by the Radio Television Manufacturers' Association, for "outstanding contribution to the progress and development of the radio-television industry," and the Founders' Award of the Board of Directors of the Institute of Radio Engineers.

Seniors Can Help Give Underclassmen A Break

All seniors that have accepted an offer with industry, graduate school, or the armed services should contact the placement office immediately, or as soon as a position is obtained. Information gained in this manner will enable the Placement Office to determine its effectiveness and to correct the weak points in the present system.

Secretariate Holds Annual Banquet

The Secretariate held its annual banquet Thursday evening at Heller's Colonial Dining Room. A freshman in the Junior Secretarial and a freshman in the Administrative Secretarial courses received awards for being outstanding in class as well as in the club.

Frances Ferguson, retiring president, announced as next year's officers: Ann Seraphin, president; Barbara Scheehle, vice-president; Lois Demberger, secretary; Barbara Edwards, treasurer; Doris Rowan, social chairman.

Hal Moore of KYW concluded the evening's events with an entertaining talk.

DELINQUENTS

Articles are not in this week's Triangle that were submitted late Tuesday evening or Wednesday.

DIT Awards 15 Master Degrees; Theses Available

Fifteen men will receive master degrees from Drexel's graduate school this spring. The significance of this can be felt in numerous ways but perhaps the most significant, from the student viewpoint, is that the theses prepared in order to receive the degrees are available to students doing research in associated fields.

Mr. Ford of the Business Administration office has released the following list of topics covered by the theses written by these graduates.

Economic Survey of Foam Rubber Industry, Engineer-Management, Communications in Research Laboratories, A Survey of the Industrial Instruments Industry, Statistical Quality Control—Electronics Industry of Philadelphia, Human Relations in Small Government office, History and Analysis of Wage Controls, Future of Accounting in the Electronic Age, Suggestion Systems in Industry, Unionism in Engineering, The Pattern for Development of a Product.

Senior Week will start off with a bang this Sunday. A buffet supper is to be held that afternoon at 2:00. This will be followed by a square dance at which music will be played for slow or square dancing. Other activities such as softball or volleyball have been scheduled for the day.

A swimming party is in store for all seniors and their dates on Tuesday at Mermaid Lake. The time has been set at 10:00. In addition to swimming, boating, water-tobogganing, softball, quoits and volleyball make up the remainder of the agenda. All are urged to bring picnic lunches for which soft drinks can be purchased at the Lake.

The entertainment for both days is provided without charge. The highlight of the week is the Dinner-Dance that has been scheduled for Thursday evening. Medford Lakes is to provide the background. The dinner will begin at 7:00. Bernie Lowe is to furnish the music for the happy graduates and their companions. The dancing will last until 12:00. The dress is semi-formal; therefore, there are to be no corsages.

A price of \$2.25 will be charged per couple. Tickets have been on sale from 1 to 1:30 in the Court since Wednesday. Maps outlining the routes to Medford and Mermaid Lakes will be available to those who need them.

Joan Turnesa Chosen First President of New Sorority

At Wesleyan College in 1852, the second oldest national woman's sorority was founded. This was the beginning of Phi Mu. Now consisting of sixty-eight collegiate chapters and one hundred alumnae groups, this fraternity bases its standards upon "love and mutual understanding." Beginning in liberal arts schools, Phi Mu is primarily a non-educational fraternity lending its talents to social service.

In March of this year, Marge Whitaker, a transfer from the Phi Mu chapter at Dickinson, began a petition consisting of twenty girls from Drexel to originate a colony at D.I.T. The first official meeting of this group took place on April 27th. During this time the Alumnae group in the Philadelphia area contributed its time to helping the Drexel chapter get organized.

DICK YOUNG HEADS MSC

Dick Young has been chosen president of the Men's Student Council, the largest and potentially most powerful student organization on campus. Dick's assistants will be chosen at the next meeting of the council.

These women gave a buffet supper two weeks ago to introduce the colony to the members of the Alumnae group. At this supper-meeting several standards were set both for the colony's recognition and for the rushing and pledging rules. Tentative pledging will begin on June 1, 1953. In order to rush for Phi Mu, there must be no outstanding failures and one term's weighted average is necessary.

The colony was recognized by Drexel's Pan Hellenic Council and on May 11 by W.S.G.A. A year from this date, the colony will become a national fraternity.

Miss Dolores Quinn, of Drexel's faculty, is the adviser, and the temporary officers are: Joan Turnesa, chairman; secretary, Ann McDonald, and treasurer, Nancy Wetty.

MURMURS IN THE CAVE

'Greaser Mob' Story Ends in Failure

by Joe Williard

On a special duty into the underworld of Philadelphia this past week, we decided to find out all we could about the notorious "Greaser Mob." We met the "brains," who for the sake of our protection, we will call Mr. Cosmo. Mr. Cosmo was a genial sort of man, who absolutely would refuse to knock off a man unless it was in the back with his .32. (Definitely no hanging, knifings, etc.)

One of our first moves was to case a huge ball and dinner dance given by Mr. Cosmo. Since we were traveling incognito, it was necessary to act like "one of the mob." (This was easy for Bob.) At this glorious gang-bang affair were the creme-de-la-creme of the Philadelphia cafe society. One extremely beautiful doll, making her debut in this select group, was the object of all attention, as she fully expected to be. But, as the evening wore on, she grew more and more restive. The host, Mr. Cosmo, had not asked her to dance with him.

"He's danced four times with that frump with all the peroxide curls and purple beads," she complained to her escort (named Alvin the Butcher). "He hasn't even looked at me. You're a big shot, or so you tell me; do something about it!"

Alvin had a sudden inspiration (it had to be sudden, because we could hear a grinding noise). "If you knew what it meant, Cosmo dancing with that hussy so often,"

he garbled to her, "you wouldn't talk like that. He's putting the finger on her. She must know too much. Cosmo's signaling his boys to give her a ride. She's as good as gone right now!" The girl paled, shuddered with excitement, and whispered, "Gee, honey, how was I to know?"

Now Alvin the Butcher was so pleased with his strategy, he couldn't resist telling it to Mr. Cosmo, who promptly decided the joke was too good to cut short. He walked over to the girl, calmly took her away from the man to whom she was talking, and announced loudly, "This dance is wid me!"

For four dances in succession he whirled her around the floor at the end of which the young lady (loosely) was so frightened, she was uttering incoherent sounds and her eyes were popping from her head. Cosmo appeared more

and more interested.

At the end of the evening we left Mr. Cosmo and came back to write our story. But, this wasn't the end. Within twenty-four hours Alvin the Butcher was found in an alley, sprayed with a dozen or so machine gun slugs. And, while our heroine was deciding what to wear to the funeral, a messenger arrived with four dozen long stemmed American Beauties. The enclosed card read, "Mr. Cosmo expects you to have dinner with him this evening."

While we were preparing our story we suddenly realized this was not our line. So from now on, any expose of the "Greaser Mob" will have to come from Mr. Brookhouser.

In closing, for the summer, we would like to remind the conscientious money earner, that even though money may not buy happiness, with it you can buy the type of misery you want.

Seniors

(Continued from Page 1)

June 13, at 10:00 a.m. The Academic Procession will start at 9:45. You must be in your proper place before that time. Attendance at Commencement is required of all graduates. If you know that it will be impossible to attend the Commencement, permission to receive your degree "in absentia" must be secured by making your request in writing of President Creece. This permission must be secured BEFORE June 1.

9. Your guest tickets for Commencement will be furnished by the Registrar's Office near the end of May.

Draft

(Continued from Page 1)

pleted academic year and the class standing required in each of the subsequent years shall be the upper two-thirds for second year and upper three-fourths beyond the second year.

CLASS 2 DEFERMENTS ARE FOR A PERIOD OF ONE YEAR OR LESS. Therefore, each student must assume the responsibility for informing the office of the Dean of Men of changes in classification and must also request each year, in June, that his scholastic standing be filed with his local board.

An appeal of classification must be made within ten days after the local board mails to the registrant a notice of classification. The person appealing may attach to his appeal a statement specifying the matters in which he believes the local board erred.

Air Force Reserve Gives Organizations End Active Year, Prepare June 1 Deadline for Seniors For Next Term With Election of Officers

Deadline for college graduates and second-semester seniors to apply for training as weather officers with the USAF Air Weather Service has been extended to June 1, 1953.

Requirements remain the same—a bachelor's degree and credit for one year of college physics and mathematics through integral calculus. Both men and women are eligible to apply.

Successful applicants will be commissioned as second lieutenants in the Air Force Reserve. In midsummer they will be ordered to duty for a 9- to 12-month course in meteorology at one of several well-known U. S. colleges and universities.

In addition to the weather training, the officers will attend a short basic officer training course before assignment to active duty in an Air Force weather station.

While attending the government-paid weather training, students will receive full pay and allowances of a second lieutenant. In the case of a married student, this amounts to about \$350 a month, for a single officer slightly less.

Application forms for a direct commission and weather training are available by writing to the Commanding General, Air Weather Service, Washington 25, D. C.

The program is administered by the USAF Institute of Technology. Some of the schools participating are the Massachusetts Institute of Technology, New York University, the University of Chicago, Pennsylvania State College, the University of California at Los Angeles, Florida State University, the University of Washington and St. Louis University.

The Drexel Christian Fellowship, a chapter of the Inter-Varsity Christian Fellowship, announced the following officers for 1953-1954: president, James Bell; vice-president, Pat Budd; secretary-treasurer, Carl Swanson.

Alpha Phi Omega, Drexel's service fraternity, has elected its new officers for the summer and fall terms of 1953. They are as follows: president, Carl Link; first vice-president, Charles Finkbinder; second vice-president, William Campbell; treasurer, William Franek; recording secretary, William Hansell; corresponding secretary, Ronald Henry; historian, Robert Gingman; alumni secretary, Bert Soltoff; sergeant-at-arms, Elmer Albertson; chairman of the advisory committee, Robert J. Bickel.

Newman Club members close their social season at an all-day picnic, Memorial Day, at Humville Park near Langhorne. June 7th there will be an End of Term Communion Breakfast and a guest

speaker. Details of two spectacular beach parties planned for July and August will be made public later.

Newly elected Newman Club officers include: president, John Giovanni; vice-president, Bob Belli; treasurer, Charley Seemiller; recording secretary, Anna May Zimbardi; women's social chairman, Mercia Grassi; men's social chairman, Tom Hughes; and publicity, Eileen Phelan.

The officers of the I.C.G. for the coming year are as follows: president, Joe Travaglini; vice-president, Joe Willard; treasurer, Abe Frumkin; secretary, Evelyn Camero.

Intercollegiate Conference on Government announces, also, that the Southeastern Regional Convention will be held at Drexel next spring.

Plans are under way to keep the group moderately active during the summer term.

Pi Tau Sigma, national honorary mechanical engineering fraternity has elected its new leaders for 1953-54. Members to this fraternity are selected on the basis of scholarship, engineering ability, and personality. One quarter of the Junior class is eligible for membership and one-third of the Senior class.

Newly elected were: president,

Carl Link; vice-president, Carl Albrecht; treasurer, Professor S. H. Raynes; honorary chairman, J. H. Billings; recording secretary, Richard Glazier; corresponding secretary, William Dieter; guide, William Holberg.

Wednesday, May 14, marked Hillel's closing banquet, at which the newly elected officers were installed.

Next year's officers are: Francine Jaffe, president; Art Pollack, vice-president; Marty Weiss, treasurer; Joan Kolansky, recording secretary, and corresponding secretary, Lynne Ashe.

Awards for outstanding achievements were also given. Hal Steinburg, out-going president, was the recipient of the Hillel Honor Key. Muriel Kaiser, outgoing vice-president, Francine Jaffe and Judy Kahn received book awards.

Omicron Nu, the home economics honorary society, held a meeting on Tuesday evening, May 19. The new officers for the coming year were elected. They are as follows: President, Betty Hilliard; vice-president, Muriel Kaiser; secretary, Joan Hoepke; treasurer, Norma Yess; recorder, Shirley Wetzel.

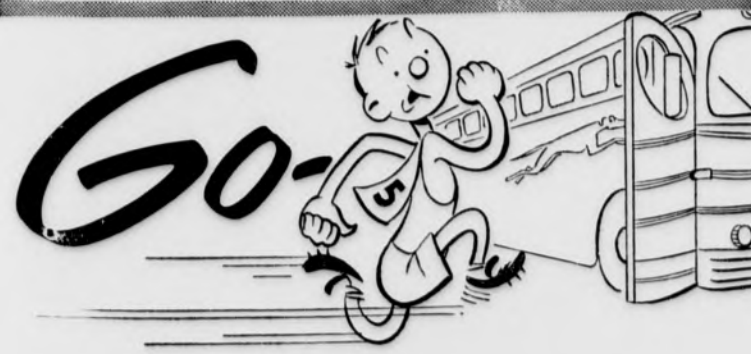

The new president will represent the local chapter at the National conclave in June at Iowa State College, Ames, Iowa.

The Beginning, Not The End

Another group of men and women are again about ready to leave Drexel. This group has come a long, long way. It would be interesting to compare the boy of five years ago with the adult who will receive his diploma in a few days.

To say that Drexel has left its mark on the seniors is almost being trite. However, it is a fact and whether we like it or not has nothing to do with it. The fact remains that we are Drexel students, Drexel graduates, and bear the traits and characteristics of Drexel. Other graduates have taken these things and woven them into a successful life. Our success depends entirely upon ourselves.

Now, it is one thing for a school to make an impression upon a student. For that

student to make an equal impression on the school is no mean accomplishment. However, there is a relatively easy solution for graduates.

Before we progress any further we should point out that anything that is good for Drexel will be good for the graduate in the long run. On that everyone will agree. As seniors, you have fresh in your mind those things that you feel can benefit Drexel and its students more than anything else. All that you need is a way to put these ideas to work and that way is provided by the Alumni Association. There is nothing better for a small school than an active and interested Alumni. Drexel can have one, if you want it.

A Few Facts on the D-Banquet

Mr. Editor:

If I may, I would like to clarify (with facts, and not just imagination) the situation that prevails for this year's D Banquet.

I would first like to say to the writer of the column UNDER THE BENCH, Mr. John Gerlach, "You are all wet! Come out from UNDER THE BENCH and STAND on it and get a good look at what is going on. Don't gripe about something you have so little knowledge of—but try to help remedy the situation—in other words change your attitude! You are the one that thinks the situation will not help the morale of Drexel athletics. It is your approach which will tear down and do away with athletics at Drexel."

On point number one, this year's banquet will not be "different than other years in that invitations were sent only to those men who are receiving a letter." From the very first D Banquet, it has been the policy to invite only award winners—thus the name D Banquet and not Sports Banquet or what have you.

Yes, it is true that in the past all participants in major athletics were invited to the D Banquet—all were award winners. The people involved thought that all those who did not make the varsity team should be given an award as a token of their faithful services.

But now because of the new ruling by the new Middle Atlantic Conference that the freshmen have to play on a freshman team, these men will not be called J.V.'s or Junior Varsity. There is no J.V. team because of lack of interest, men and funds—therefore those not making the Varsity team cannot be put on the J.V. team, even if the coaches wanted them to. Now—that means that some men will not get any type of an award.

The Director of Athletics came up with the idea that these men who do not receive any types of award and are still faithfully practicing and playing until it's time to graduate, will be awarded a varsity D in their last term of school. The director of Athletics has continued the policy of invitations as has always been done. The athletes who did not receive awards this year are just victims of circumstance.

On point number two—yes, two men were awarded J.V. letters by the Men's A.A. and here is why: in the by-laws of the Men's A.A. Constitution it states that if a

SUGGESTION BOX

New Field Nothing But Holes

Dear Editor:

In response to the current Suggestion Box contest I would like to submit a constructive criticism that I consider extremely important. I am speaking as a fan and a follower of the sport Lacrosse—not as a player.

I have seen three Drexel home games this year and I can say quite frankly that I am thoroughly disgusted with our home field.

In the first place the facilities for spectators are terrible. Secondly, the field is a mass of holes and gullies that are a definite hazard to the players. Thirdly, the field stays wet and muddy days after a rain storm because of the poor drainage conditions that exist there. And fourthly, it's a disgrace to the visiting teams that we play host to.

Prior to the spring athletic season there was some concern over conflicting sched-

ules between the Lacrosse team and the Baseball team resulting in moving the Lacrosse squad to the "new" field. However, careful examination has shown only one baseball game was played the same day as a Lacrosse game. My suggestion is to get the Lacrosse squad off the "sprained ankle pit" and onto the football field next season. I further suggest that the grounds department level the new field and establish proper drainage before they complain that my idea will only endanger the football field the following season.

Yours truly,
Smedley Howe

This week's carton of CHESTERFIELDS is awarded to Mr. Howe for his suggestion. We wish to thank all who participated in this contest this term and we hope to be able to continue the contest next September.

man receives three J.V. awards in the same sport he is entitled to a Varsity D in that sport. This year two basketball players had already earned two J.V. awards and this one would make a third. In all fairness—do you deprive them of a Varsity D? They were awarded Varsity letters. The new fellows were not, even though they might have played more quarters; a Varsity D was not at stake for them.

Point number three is silly—sure, all soccer players were awarded letters "even though some of the players were not good enough to start"—but they were awarded letters because they all earned the proper number of quarters to get one. If Mr. Gerlach thinks that anyone in "responsible positions in either organization" was not perturbed over this matter because we had already received our invitation, he may gladly have mine or anyone else's invitation that he's referring to provided that he thinks he's deserving of one. Mr. Gerlach, as several other people in Drexel, tears down the school and says how things are run but never offers to help or remedy the situations. These people do not realize the job that some men are doing to build up athletics at Drexel, no matter how hard the task is. They never seem to congratulate men like Harold J. Budd, who has done so much for the athletes at Drexel, or General Douglas T. Greene on the job he is doing. If they want to they can go into the Director of Athletics' office any time and he will be only too happy to discuss any situation with them. They never seem to congratulate men like Mr. Maury McMains or President Creese on the work they have done.

Last year, because of lack of funds, there wasn't to be a D Banquet—yes, that's right—no banquet—there doesn't have to be—by the end of the spring all money for athletics is usually spent. These two men saw to it that we had a D Banquet.

Because now for the first time we will not have everyone who participated in a sport to the D Banquet, a suggestion has been brought forth. The idea is to have a banquet after each season for all the athletes in the sports for that season and possibly call it an Athletic Banquet and in the spring hold a D Banquet for seniors who have earned letters and for other special award winners.

Respectfully,
Thomas E. Kolongowski
President of Men's A.A.

CAMPUS PERSONALITIES

Marcia Plans Trip to Altar, Chuck Will Be Steward on Liner

by Barbara Robinson

She's a redhead and she's got the mischief in her eye. But the traditional red-headed temper is completely lacking in Marcia Savill. She's always ready for fun and a good joke.

Marcia's been active at Drexel. The Deltas chose her as chaplain and she is also a member of Key and Triangle, Omicron Nu and Phi Kappa Phi—she's a smart one, that girl. For the last three years she contributed her skill on the badminton court, one of the hardest sports there is for girls.

Right now she's caught up in the aura of orange blossoms for on June 20th the Savill will just become the initial S. Then, her dietetics background will be put to the crucial test of three meals a day.

Also, she hopes to go into the field of food demonstration or school cafeteria work. Whatever she does, you can be sure it will be done with a lot of success and an injection of fun.

Chuck Barris, what can anyone say on paper about his personality, his crazy antics, his Drexel Tech shirts, his cute blush, or his beet red sunburn? At any Drexel function that concerns the students, you'll find him. Remember—Student-Faculty Basketball Game, pep rallies and the inevitable Homecoming—the list is endless.

Chuck came to us from University of Miami for his sophomore year. Luckily he stayed! How could he leave—he had stock in the Varsity Club (oh, those crazy shows), the Triangle (that crazy mixed-up column!), and the Blue Key. Chuck will always be best remembered by the girls as the number one man of the Bachelor Club. He has also been chosen as a member of Who's Who and as the recipient of the Rensselaer Award for service.

Leave it to Chuck to find something fabulous to do this summer. He's going to be a steward on the liner "Queen Elizabeth." Confidentially, he'd like to settle down in Paris for a while and—you guessed it—write a book.

the Court Jester

*They've completed their chores,
Good-bye to the seniors,
To the students remaining,
As you pass by my doors,
Court Jester reminds you,
"You'll get yours."*

C. (Cool) Jester.

Hi Gang!

Again this week the scandal seekers will be satisfied with juicy drippings from my little sharp axe. Pull up a spare bench or maybe even an empty step. (Kick the cigarette butts aside.) This past week not many heads rolled but a couple of pins did (in reverse, that is). Jim Swanson and Ray Daikeler did the dirty work. The above poem is dedicated to Cathy Black and Eileen Phelan.

WINKS ON THE WEEKENDS

From the many bloodshot eyes in the Cave on Monday I came to the amazing conclusion that there were a few fraternity week-ends last week. Read on while I speed my little sweaty hand across this paper trembling with excitement (tremble, tremble). The Sammies had a bit of trouble holding on to the punch bowl. That must have been great stuff. On the Lambda Chi week-end Chip Ashenfelter had a splashing good time. Floss Nacchio had the distinction of taking her date, Bob DePaol, to the dorm. What was inside, Bob? Donna Rupert acquired a slight case of "over-all blush" (sunburn). What happened from 3 a.m. to 9 a.m. on Sunday, Chuck Dugan? Does Pat know about this? They had trouble keeping accurate inventory of female feet at the Apple Pie house Friday. Darn these girls with four feet. The Sigma Pi's "warmed up" Vacation Valley for the Tekes this week-end.

BENCH BITS

After crawling underneath one of the benches and brushing aside old ice cream cones and wads of chewing gum, I found a

perfect spot to view Court life: Eric Matzner and Elaine Heritage competing with Harry Sarajian and Janice Goldberg for lovers of the week. . . . Chuck Barris with a clean sweater. . . . Norma Jean Rinehart and John McKenty exchanging "those" looks. . . . Dick "Sickly" Rummeler back at school; cram, Dick, cram. . . . Pat Creed crying about "her" Phillis. . . . Cathy Craine keeping better step than the R.O.T.C. boys. . . . George "White Walls" Lodge (didn't think you'd see it, did you, fellows). . . . Tom Kolongowski prepping Wesa Wilcox for the week-end. . . . Bill "Pull the String" Schwartz. . . . Augie Campiglia visits New Jersey: what for, Augie? . . . Doris Rowan has company from West Chester; why not tell him to enroll in Drexel? Seen strolling through the Court getting gasps from the males—that gorgeous, ravishing, alluring, beautiful damsel from Drexel—Nancy Adams.

TERM AWARDS

Lover of the Term—Bud Templeton
Nose of the Term—Basil Barno
Sleepiest Male—George Murray
Glassiest Eyes—Bill Gallagher
Best Attackman—"Odd" Adams
Most help to the Lacrosse team—Mrs. McCue
Runt of the Term—George Taylor
Senior most likely to succeed—John Racine
Junior most likely to become a Senior—Dick Kline
Cutest Girl of the Term—ME (figure that one out, gang)

THIS WEEKEND

. . . Teke Spring Week-end.
. . . Seniors cram for the coming finals.
. . . Everyone else catches up on sleep lost last week-end.

FAREWELLS FOR THE SUMMER

Farewell for the summer.

ALONG FRATERNITY ROW

New Officers — New Members
Spring Weekends — Sun (ouch) burns

News of the Greeks

ALPHA PI LAMBDA

A belated welcome to our new members: Bill Daknis, Bob Luksa, Frank Arnold, Walt Fraser, Charles Shiner, Dick Geiselman, Walt Butte, Pat Mosman, Irv Beidelman, Bob Garvey, Clark Hamilton, Bob Volrath, Scott Fletcher, Tom Gibbons, Walt Goldacker, Tom Vincent, Howie Salasin, Al Woehrle, Art Edwards, Bill Burton, Bob Stieffe, Bill Hoffman, Don Tolinger, Dave Bearint, and Don Barr. Whew—

Every one is all burned up from the week-end, but Bobbie Herzog had another reason on Sunday. You should have eaten those potato chips.

Our new sweetheart, Leigh Marshall, seen in party house on bar stool.

Don Pracht and Hank Laessig became engaged over the week-end.

We would also like to congratulate Hughes, Barr, Williams, Greisen, Howell, Dorschu, Dzwoncyk, Fallat, Clauss, Kohler, Brown, Thomas, Link, Kinsey, Anstey, Kachmarchik, and Caliano for hanging onto their Fraternity pins.

TAU KAPPA EPSILON

On Sunday, May 24, the following men were duly initiated into the Alpha Tau chapter of Tau Kappa Epsilon: F. Clark, B. Shaw, H. Brown, C. Burke, B. Stitzinger, T. Wonderly, F. Leonard, S. Marcus, R. Ferguson, W. Tomlinson, R. Rebert, A. Berger, G. Drayton, B. Tomesetti, B. Harey, J. Force, J. Knash, J. Nobitt, C. Bach, B. Kingmann, G. Wright, B. Thomas, I. Wauhup, B. Young, B. Taht, and J. MacLaren . . . congratulations to our twenty-six new brothers.

Carl Fugmann never did get kidnapped but "Mighty Mouse" Grebis got his last Wednesday night.

Sorry, "Hilly," that Lodge gave you the mumps but we'll be thinking about you on the week-end. Speaking of the week-end, this is it, gang!—this is what we've been training for—tonight's the night at Vacation Valley, for a real "lost week-end."

SIGMA PI

A week has gone by and still some brothers have that faraway look in their eyes; about 100 miles away at Vacation Valley. The week-end was made even more

enjoyable by the beautiful weather which with the exception of showers Friday night was beyond anyone's highest expectations. There wasn't anybody in a hurry to leave on Sunday. One of the happiest men around is Harry Speth whose girl, Mary Mothershed, was chosen as Sweetheart at the Orchid Ball.

Congrats to our new officers: president, Dick DiFulvio; vice-president, Steve Pine; treasurer, Sam McCullough; secretary, Bill Ringler.

SIGMA SIGMA SIGMA

Last night, we Tri's gave the seniors a Send-off party at the Pan-Hel House. They have done a lot for the Sorority and we are sorry to see them leave.

Plans are now being made for our tri-annual convention at Spring Lake from June 26 to 31. Everybody is urged to go for at least part of the time as we are the hostess chapter. It's a good opportunity to become more aware of sorority life.

Congratulations to Leigh Marshall who was chosen Apple Pie sweetheart at their week-end! Congratulations are also in order for Nancy Zinke and Gloria Roberts on their recent pinnings.

ALPHA SIGMA ALPHA

Congratulations and welcomes are due this week for our new officers, initiates, and pledges. First the officers: Floss Nachio, president; Joanne Weber, recording secretary; Fran Nucci, corresponding secretary; Pat Creed, treasurer; Marion Irvine, chaplain; and Nancy Nielsen, editor.

Congratulations to the eighteen recently initiated members and our Spring Term pledges who are Merci Grassi, Joan Albanese, Doris Rowan, and Edith Phillips.

Sounds like everyone had a terrific time at Shore Week-end, in spite of the bad sunburns and unexpected night raiders.

Last Monday night was the date of our Senior Farewell banquet. Each Senior received a silver bracelet and five girls received special awards. They were Jan Snyder, Sue Conant, Ann Recchi, Elaine Wismer, and Decima Anderson.

LAMBDA CHI ALPHA

Congratulations to our recently initiated brothers: Eric Anderson, FRAT ROW on Page 6

DISCUSSIONS

Ben Goodman, 'Cool Rage', and Muggsy Add Life to Discs

by Mary Carrol

The time has come once again to glance at the music shelf. As we gaze upward, what do we find among the stacks of black discs?

A relatively new star, by the name of Edie Garman, is climbing the stairway to success. She has made a great recording of "All Night Love." This is backed by one of the numbers that put Artie Shaw up on top, entitled "Frenesi." Although it cannot compare to Artie's arrangement, Edie has done a notable job. Perry Como has another hit on his hands with his record of "Say You're Mine Again" in spite of the competition he has had from the other artists who have recorded the tune.

The Four Deals have made a terrific record of "It's Too Late Now." Keep up the good work, boys! I would like to say a word about Phil Moore's arrangement of "Misty Moon." This is not one of the market's newest numbers, but it is positively beautiful.

Now for a few jump numbers. Mercury has released another of Illinois Jackquet's famous sax renditions. His latest, "The Cool Rage" is exactly what the title implies. Johnny Hodges has done a fine job with "Latino." Ralph Marterie has furnished the music world with a "frosty" arrangement of "After Midnight." Ralph is well on his way.

The perpetual wailer, Mr. Johnny Ray, has finally come up with a decent record. His first and most likely his last really good side is entitled "Somebody Stole My Gal." Johnny, I didn't know you had it in you! I am not too sure how to classify Anna Silvano Mongonal's latest. Although it is impossible to understand the words, it has a terrific beat. It is going places, and I mean in a hurry. Benny Goodman is back in the swing again with another of his great arrangements. His newest, "I'll Never Say Never Again" features Helen Ward on the vocal.

Here is a reminder for Dixieland lovers. Be sure to catch Muggsy Spanier and his crew the next time he appears at the Rendezvous.

Have a real frantic summer. See you next fall!

ONIONS AND ORCHIDS

Dean Disque Winner of Orchids, Onions Go to Cafeteria, Elections

by Bill Musto

Well, what do you know; here we are with one more week of classes. Time to dust off the books and oil up the thinking machines; final week is right around the corner.

SPECIAL GRADUATION ORCHIDS go to Chuck Barris, for all he has done at Drexel; to "Odd" Adams, all around athlete and leader; to Ellie Aimen, whose life at Drexel has been full and fruitful; to Norma Trumbower, Homecoming Queen and beauty queen.

ORCHIDS OF THE TERM to sexy Donna Wetzel, and to Ann "Close-that-door" Jensen.

LOVING ORCHIDS to court hustlers Tom Kolongowski and Tom Grebis. Also to Nancy Shearer and Peggy Morganthaler. Why don't you give up, Ace?

ATHLETIC ORCHIDS to baseballers Mike Pulscak, Gene Hug, Dave Bearint, George Meyers, little Gilly, and you too, Regis. To lacrossers — Ed Musuras, Dick Young, Wimp Poe, Odd Adams, Carl Fugmann and Basil Barno.

CHEERS AND BEERS to all who had enough interest in old D.I.T. to participate in extra-curricular activities.

FACULTY ORCHIDS to Dean Disque for his fine brief speech at the I-F Banquet, and to toastmaster "Get-on-the-ball" Giles. Orchids to Mr. Tarteler, head of the math department for trying to knit friendlier relationships between students and faculty. Orchids to Professor "no-discrimination-against-race-color-or-creed" Hannah.

SOMETHING SHOULD BE DONE ABOUT IT

There ought to be a way to keep outsiders from our cafeteria. If we don't stop them soon, this summer will bring them here in hordes to enjoy cool lunchtime comfort while the students are left standing room only. How about showing matric cards or special cafeteria cards to the cashier?

The constitution on class elections is hard-up for revision. Under the present set-up it is possible for a man to be a reclassified sophomore and president of the pre-junior class. My suggestion is this. Have elections in the Fall term, with eligibility based on the classification of the students' new matric card. This would eliminate the

Fraternity Row

(Continued from Page 5)

Dick Singer, Ron Clouser, Jerry Oakes, Dick Keephart, Paul Green, Bill Sundermeir, Tom Young, Tom Ward, Jack Gassert, Joe Pullen, Chuck Mattis, Gene Brown, George Bonadio, and Dan Dalzell.

Congratulations are also in order for Don Eddy and Nancy Zinke who were pinned last week-end and also to Al Kirby who has been recently married. Eddie Armstrong also weakened this past week-end, must have been that mountain air.

Everyone had a fine time at Mt. Airy on Spring Week-end. That is, all those who could find their dates. Chip Ashenfelder was very surprised when he found out that they didn't drain the water out of the swimming pool at midnight.

Farewell to Jane (Bermuda shorts) Howe, and onward to finals.

SIGMA ALPHA MU

Latest rumors have it that Toxic Hal Steinberg is taking yogi lessons from a recent acquaintance of his. It seems as though he was always in a trance whenever anyone talked to him even before he took up the practice.

Lost and Found—Bob Rosenberg lost it; Marilyn found it.

Felicitations to the new I-F Repts., Fred Lindheim and Herb Brown, and the new Pledgemaster, Mark Savrin.

I think it would be a damn good idea to take up a collection to get Capt. Rosenbluth some civilian clothes. Even on Spring Week-end he had to wear khaki. By the way, best of luck with the new car.

Everyone coming to the affair this Saturday at the Lodge will be provided with a lei.

Sorry to see all the seniors leave us but then after the last meeting—eh.

Onions & Orchids

(Continued from Page 5)

possibility of men being elected in Spring term for the ensuing year, failing courses in that term, and ending up being a reclassified student as a class officer for a class of which he is not a member.

To Lois Demberger. I call it:

MATURITY

Oh, my soul,
Was I not blessed with priceless gifts at birth?
And yet, in youth, I've squandered all their worth.

Alas! The time upon me swiftly crept
And robbed me blind of treasures so unkept!
Of idle thought and deed was I not warned?
And yet, to them I have but laughed and scorned.

The future years will tell of wasted days,
Let me but hope they serve to right my ways.
My past, a jury now, before me meets
To judge my fate and criticize my feats.

Oh world,
Be not so cruel to punish time unused,
Or burden lives because of gifts abused.
Let not the veil of vain and hopeless lust
Obstruct my path and detour faithful trust.
I crave not power, nor wealth or rarities sought.

But rather grant me wealth of wholesome thought.

When one above me gives reproving word,
Then let me hear, not leave advice unheard.
Restrain me, world, if fruitless hope I bear.
Yet guard me too, from pangs of deep despair.

Instill in me a greater love for all;
That if need be, I check another's fall.
Direct me, world, in my advice when asked,
Or lend a hand to lighten someone's task.
Design my ways and help me keep in line,
To follow in the tested ways of time.
Be lost! You fateful errors of bygone years;
Guide not my days in misery and tears.
And if the part will not serve purpose true,
Then, O my soul forget, start life anew!

Tennis Team Completes Season With Wins Over Lafayette, Hawks

by Frank Hyde

The Drexel netmen racked up the finish of a terrific season by beating Lafayette 5½-3½ and St. Joseph's 7-2. The win over the Hawks was particularly of note because it was the boys from St. Joe's who beat the Dragons 6-2 in the first match of the season.

Marv Sheckmann dropped the opening match to the Maroon and Gray, but Hal Naidoff and Marty Cherry came back to take their matches 2-0 to put DIT in the lead. Paul Moore battled hard but lost 7-5, 6-4 to tie things up all over again. However, Ed Berman and Bill Piercy won their matches hands down and the netmen were ahead 4-2.

In the deciding doubles Sheckmann and Cherry gave the Dragons a scare when they lost 6-2, 6-1. Drexel put the match away, however, when Naidoff and Moore won their doubles match 6-4, 6-2. Piercy and Bill Taht fought the visitors to a standstill and the last doubles was a draw.

A real thriller was played against the Hawks on Wednesday as the netmen revenged themselves for an earlier defeat by winning 7-2. Marv Sheckmann and Hal Naidoff won their singles matches easily. Things started to pop, however, in Marty Cherry's match, as he went down in the first set 6-8, then rallied to win 6-3, 6-3.

Ed Berman lost in the first set of his match 0-6, but he came back to win 6-3, 6-3 in a great display of spirit. In the most thrilling match of the afternoon Bill Piercy completed an undefeated season in singles competition, as he played a terrific match and came back against long odds to win 8-10, 10-8, 11-9. Drexel lost their only singles match of the day as Jerry Press went down battling, 6-1, 4-6, 6-3.

Although Drexel had already cinched the match, the doubles were hard played as Naidoff and Moore won 6-3, 7-5, and Sheckmann and Berman teamed up to win 8-6, 6-3. In the last doubles Press and Taht lost 4-6, 6-2, 6-3.

Baseball

Nothing-no, nothing-beats better taste

and **LUCKIES**
TASTE BETTER!

Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

Be Happy-**GO LUCKY!**

All round our ivy-covered halls
You'll hear the students say,
"For real deep-down enjoyment,
Get Lucky Strike today!"

Al Cavalari
Michigan State College

COLLEGE STUDENTS PREFER LUCKIES
IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

From coast to coast in campus votes,
We've found what students like—
For cleaner, fresher, smoother taste,
They go for Lucky Strike!

Apple Pies Cinch First Place Tie in I.F. Softball

During the last week there were three games played in the I-F Softball League and one forfeit. Apple Pie got credit for two wins, one the result of a slam-bang 17-9 victory over the Sammies and the other a game that was forfeited by Sigma Pi. In the other game the Tekes were the losers in a close game to Sigma Pi, 5-4.

The league leaders got a bad start against the Sammies as the Apple Pies gave up seven runs in the second inning to trail 7-1. The Sammies held a 9-7 lead going into the fifth inning. Then the Apple Pies exploded with three runs in the fifth and seven more in the sixth to wrap the game up in heroic fashion. Beidleman and Greisen led the victors with three for five, while teammate Kaczmarchik chipped in with two for four, one a Ballantine Beauty. Don Snyder won his seventh straight for the Apple Pies, handing Jack Mendelsohn of SAM the defeat.

In the other game that was played last week Sigma Pi nudged out Tau Kappa Epsilon by the virtue of one run. Hits were scarce as Al Dieluck pounded out three big hits to lead the victors and win the game for pitcher Bill Ringler.

Drexel Sports Season

(Continued from Page 8)

the second doubles team of Hal Naidoff and Paul Moore lost only to Haverford.

In lacrosse the charges of Herman Epstein got off to a bad start when they lost to the Philadelphia Lacrosse Club 11-7 and to Lehigh 7-5. The team bounced back, however, to trounce Dickinson 14-3, in a game marked by rain and mud. Bud Loweree scored five goals when the Stickmen traveled down to Baltimore, but he could get no help from the rest of the offense, and the Dragons came home with an 8-6 loss. In another game played in the rain and mud the Epmen trounced Western Maryland 19-8 with Dick Young, Loweree, and Wimp Poe leading the powerful attack.

Swarthmore was the next opponent, and they reversed the tables by winning 19-8 after being held to a 7-6 lead at halftime. Against Penn the Dragons got off to a 6-5 lead in the first half, only to be edged out 10-9. New York was the site of the season's finale and Dick Young bowed out in a blaze of glory, scoring 8 goals and leading the team to a 20-3 shelacking of CCNY.

The frosh baseballers of Doc Rhoades started off their season in impressive fashion as Stan Czerwinski hurled a no-hit, no-run vic-

tory over Haverford. After winning 11-10 over the Marine Corps Depot the frosh fell victims to a good Penn team, losing 9-3. The team won their next two, beating Haverford again 8-7 and Swarthmore 6-4. Penn beat the baby Dragons 7-0 on two hits and Delaware wound up the season, edging the Rhoadesmen 5-4.

Drexel's linksmen failed to win a single match this season, but the entire team is returning next year, and we can look forward to better things in this sport. Captain Len Sheppard led the team as he won four matches during the season, while George Schneider won three. In the match against Penn the Dragons were the victims of a hole-in-one by the Quaker manager, of all people, who was playing in place of an absent team member.

Lack of experience was the whole story, as the freshman lacrosse team lost all three outings this season. Under the tutelage of Bill Gallagher and George Pritts the team showed vast improvement in its final game, losing to Penn 8-7.

On the distaff side Wesa Wilcox, and Judy and Jean Vogt led the tennis team to a successful season winning over Temple, Chestnut Hill, Rosemont, Ursinus and Albright.

Their lacrosse and archery counterparts were not as fortunate with both teams failing to win a single game.

Selections of Spring Loop Basketball Stars Announced

by Norm Benn

After having watched seven weeks of Spring Basketball play I have finally decided upon my All-Star selections and award winners. Much consideration has gone into these choices, and I trust they are accurate, unbiased, and injurious to none.

Lacrosse

(Continued from Page 8)

Eppie was given his victory. During the game Fox Movietone cameramen were present and recorded for the United States Army educational program the action of the lopsided game. CCNY was contacted initially and no doubt accepted for possible good publicity. At 20 to 3, Drexel's been given a boost by the toughest working squad on Drexel's athletic fields.

To avoid running the score to triple figures, the Drexel bench was cleared early in the game but to no avail as the goals kept mounting. Finally in the fourth quarter to eliminate undue embarrassment to the host team, the Drexel team reversed positions. Neuman, Poe, and Barno switched to defense as Shaughnessy, Peetros, Adams, Masuras, and goalkeeper Kolscher went to attack. Peetros with two shots and Adams with one shot stood out on this attack.

The lacrosse team winds up with a 4-4 collegiate record as it continues season after season to finish at .500 and above. No amount of credit is too great for their coach, Mr. H. Epstein, as he regularly whips up a combination of men who never step on a field as the underdog. Their spirit and records are tribute to a great man.

Before producing the list, however, I would like to give a brief recapitulation of the season. The Rebels, under the capable leadership of Dan Promislo, took the championship as they defeated the Cobras of Vic Quattrini in a post-season playoff. Both teams had ended in a deadlock for the top slot with identical 5-1 records. Bill Harley's Tigers ran third with a 2-4 log, one notch above Al Barrett's Wildcats, victors in nary an encounter.

The scoring leaders for the season were Joe Campbell, Promislo, Bob Ranonis, Al Meislich, and Bill Harley. Without further ado, I would now like to present my findings pertaining to the select group of basketballers.

ALL-STAR TEAM

Dan Promislo Joe Campbell
Al Meislich Vic Quattrini

Drexel Teams Finish Spring Sports Season

by John Gerlach

Only a single baseball game remains in the schedule of sports for Drexel teams this Spring. While the over-all record is not impressive, four of the teams finished with winning seasons.

Individual team records show that the tennis team with a record of 6-3 and the varsity baseball team with a 9-6 record topped the list. The freshman baseball team finished with a 4-3 season, while the varsity stickmen ended with a 4-4 record. On the losing side were the golf and freshman lacrosse teams with both teams failing to win a single game.

Women's sports were in much the same situation with the tennis team winning five while losing two and the lacrosse and archery teams ending the season without a victory.

The varsity nine started off the season with a rush by winning their first three games, including a 4-3 victory over a strong Villanova team. Mike Pulscaak and Joe Williams combined their efforts in giving up only six runs in the three games while the Dragon attack was scoring 21. La Salle stopped the win streak with an 11-4 trouncing on a cold, rainy afternoon that saw the Drexel defense falling apart in committing six errors.

Next on the schedule came Penn, and the Quakers caught Pulscaak on one of his few bad days. They banged out 11 hits with the Dragon defense against failing to support the pitcher. Penn eventually won the slugfest 10-7. St. Joseph's upset the Miller men 8-4 in their next outing by virtue of a six-run lead in the first two innings. In a tight game Drexel bounced back to defeat Haverford 3-1 in twelve innings behind the four-hit pitching of Pulscaak. The Dragons' luck in extra inning contests did not hold up for them in the game against West Chester. Going into the ninth with a one-run lead, the Miller men blew the game, as the Rams scored once in the ninth and once again in the tenth to win 4-3.

Mike Pulscaak pitched his second four-hitter of the season and second shutout, as Drexel edged Swarthmore 2-0, for their fifth win of the season. Stretching their win streak to three games, the diamondmen racked up a 5-3 victory over Rutgers and smashed St. Joseph's 12-5, to avenge a defeat earlier in the season.

Drexel lost a 3-2 heartbreaker to La Salle in their second meet-

Penn Frosh Top Junior Stickmen

The junior stickmen nearly came up with their only win of a three-game season when they lost 8-7 to Penn's Jayvees at River Field last week.

The two teams battled on even terms all through the game with Penn having very little advantage. The whole story of the game for Drexel was a good attack and a mediocre defense as Penn scored most of their goals when the defense was wide open.

Jim Henry with four goals, and George Piper with two, paced a fast attack but the Dragons couldn't score the clinchers.

At the end of the regularly allotted time, the score was 6-6 and the teams went into the first overtime. Penn scored first but Ray Craig came back for the tying tally with a quick shot at an unoccupied goal.

When the teams went into a second overtime Penn took the faceoff and scored a quick goal.

ing with Mike Pulscaak the victim. Pitching beautiful ball all the way and striking out 12, Mike went into the bottom of the tenth with a 2-1 lead, only to have an Explorer hit a home run with a man on to win 3-2. Travelling to Lehigh, the team was beaten 15-5 in the highest scoring game of the season thus far.

The Dragons put on a display of power all their own in the next game as they scored 11 runs in one inning and went on to rout Delaware 16-4 with Gene Hug getting four hits. Drexel won over PMC 9-2 in their next game as Pulscaak pitched a beautiful game, this time a two hitter, in addition to getting three hits himself.

Offensively, Myron Gilbert, George Meyers, and Gene Hug were the standouts throughout the season, with Gilbert the team's most consistent hitter.

The most improved team of the term was the tennis squad of Dave Perchonek. After losing to St. Joseph's in the opening match they came back to win over Temple, Delaware, La Salle, West Chester, Lafayette, and St. Joseph's. The team's only other losses came at the hands of Haverford and Swarthmore. Bill Piercy was undefeated in singles competition and DREXEL SPORTS on Page 7

Miller men Rout Delaware, Top PMC CCNY Trounced by DIT Stickmen

by Norm Benn and Ed Laguna

Combining solid hitting and good pitching, the Drexel baseball team racked up two impressive victories in the past week. The Dragons exploded with sixteen runs against Delaware led by the four for five batting of Gene Hug. Righthander Joe Williams set the Blue Hens down with four runs and was never in trouble.

Mike Pulscaak was almost the whole story in the P.M.C. game as he pitched and batted the team to a 9-2 victory. Bidding for a berth on the District II All-Star baseball team, Mike came through in superlative fashion as he gave up only two hits and struck out fourteen cadets. His pitching was not the only thing he did well, for he contributed a triple, double, and single to the Miller men's attack.

Joe Williams

DRAGONS POUND BALL

The Dragons completed their home season with a tremendous display of power. Trailing by a 2-0 count, due to a first inning tally and a third inning home run by Annonio, Drexel pushed across its largest number of runs for one inning this season, getting 11 big runs in the sixth.

Bud Seidel with a triple and single, George Meyers with a triple and a walk, Gene Hug's triple, and Regis Kubit with a one-bagger and free pass led the Dragon attack. Three Mud Hen hurlers gave up a total of six hits, including a single by Myron Gilbert, two walks, and saw three errors committed by his mates during the outburst.

The Blue and Gold were not satisfied with this explosion, so they went out and knocked in 5 more tallies in the next inning much to the enjoyment of the few spectators. These runs came after a double by catcher Trivits and two infield outs brought in another Delaware marker in the top of the frame. Singles by Boyd Fenton, Joe Williams, and Hug, along with a free ticket to Seidel, an error, and a hit batsman were the main factors in the Dragon seventh frame.

The visitors scored once more as Williams coasted in with the easy triumph.

Hug had his best day of the season as he blasted out four hits in his five plate appearances. Gene also tied for the most R.B.I.'s during the day with 2, the same number of runs driven in as Gilbert, Seidel, and Meyers. Pitcher Williams also became a hitter as he chipped in with 2 safeties along with Gilbert and Seidel.

PULSCAK WINS AGAIN

Mike Pulscaak pitched Drexel to a nine to two victory over PMC, and in so doing ensured the baseball team of a winning season. In giving up only two hits and striking out fourteen, Pulscaak pitched the best game of the season. Big Mike also proved that he can hit. He had a triple, double, and single, plus two R.B.I.'s in four trips to the plate.

The other men on the team also found the P.M.C. pitcher, Jack Wojciehoski, to their liking as they banged out fourteen hits. Myron Gilbert continued his sensational hitting by connecting for three singles. In only one game this season has the opposition been able to hold Gilbert hitless. Third baseman Bud Seidel and catcher George Meyers both helped the attack with two hits apiece.

The game was very close until the top half of the sixth inning. PMC was leading at the time by one run. The Miller men exploded for five big runs on five hits and put the game on ice. Drexel scored again in the seventh on some poor fielding by the Cadet infield. Two more runs were added in the eighth on a single by Gilbert, a walk to Seidel, and another error by the PMC infield.

Although the whole team played a good game, more should be said about Pulscaak's pitching. Both of the hits he gave up were of the grounder variety. Only one ball was hit to the outfield in the air and this was an easy out. He very easily could have pitched a shutout if it had not been for an

Soccer, Football Teams To Face Tough Opponents

by Ed Laguna

Soccer coach Don Yonker will have fifteen returning lettermen plus some very good prospects coming up from the J.V. team from which to pick his starting eleven next year. From a glance at the team's schedule next fall, it looks like he will need all these men and any added strength he can muster from the February class of Freshmen in order to field a winning team.

All Americans "Red" Schmitt and Bill Wilkinson head the list of returning lettermen. "Red" will be counted on to hold down one of the fullback positions. Wilk, the holler guy of the team, most likely will play at halfback. Co-captain Charlie Bell and Ihor Chyzowych, who was ineligible last season, will compete for center forward position. One of these men might be shifted to an inside position on the line to fill the vacancies left by the drafting of Vince Cappelletti into the army and the graduation of Bob Jones. Other lettermen who return and will help the offense of the team are Bob Neumann, Dick Okada, Bob Rhoades and Ed Laguna.

Lettermen Ken Stier, John Scarborough, Rutger Van Zanten, Irv Miller, John Brownie and Don Haber will most likely fill the open positions in the backfield. Jim Reyner will again play in the goal.

The J.V. team which was the best in the Philadelphia district last year will send up Bohlan Senyk, Dick Young, Werner Ulrich, Bob Eltonhead, Jim Daniels and many others to try to win varsity jobs.

Next year's schedule is:

- Oct. 10—UrsinusH
 - Oct. 14—Western Maryland ..H*
 - Oct. 17—West ChesterA
 - Oct. 21—TempleA
 - Oct. 24—BucknellA*
 - Oct. 29—La SalleH
 - Oct. 31—Johns HopkinsH*
 - Nov. 7—DelawareA*
 - Nov. 12—BaltimoreH
 - Nov. 14—Washington Coll.A*
 - Nov. 17—PennsylvaniaH
- * League game.

by Charlie Burke

With the coming of a belated Spring practice, coach Eddie Allen is looking forward to next year's football season and the return of one-platoon football. He will lose two able assistants in the persons of Jack Ferrante and Charlie Pascale, who were forced to give up their coaching positions because of jobs in the business world. On offense coach Allen intends to stick with the T formation, using modifications on occasion.

The backfield's biggest loss was Gene Hug, who as last year's quarterback proved to be one of the best passers in Drexel history. Bud Loweree of lacrosse fame and George Meyers of the baseball team will try to pick up where Gene left off last year. Three of Epstein's stickmen, Tom Grebis, Wimp Poe, and Carl Fugmann, along with Augie Capiglia are the returning halfbacks. With the advent of the new substitution rule Paul Von Zeck will switch from center to fullback and will tangle with Mike DiVincenzo for that position.

Five ends will be returning next year and this is the deepest position on the team. Leo Hayes, Leo O'Connor, John Semanick, and Dick Young, Drexel's All-American lacrosse player, will lead the ends along with Bill Durako, still doubtful because of an old leg injury.

With Ken Brown dropping out of school, Jim Hart will switch to tackle and together with newcomer Nels Neuninghoff will supply the competition for the other tackle aspirants.

Only two guards are returning in the persons of Ted Peetros and Tom Wonderly, but they are very strong and will make it rough for anyone trying for this position.

Captain Ted Rubin and Bill Shaughnessy will lead the center prospects. Both are veterans at this position and should give a good account of themselves this season.

The seven-game schedule is as follows with the Dickinson game serving as the attraction for Homecoming.

by Bill Gallagher

The Drexel lacrosse squad finished up its season on a high note by winning over City College of New York at their Amphitheatre field in New York. The Drexel team, after losing a heartbreaker to U. of P. but three days before, unfolded a tremendous scoring attack to win 20 to 3. CCNY was so overwhelmed that at the first quarter Drexel had already cinched the win with an 11 to 1 lead. Dick Young, playing his last game for Drexel after a half-eligible, half-ineligible season, went on a scoring spree netting 8 goals, 7 in the first half.

While the Drexel attack was rampantly pouring in goals, the Drexel defense during the infrequent intervals that City controlled the ball held the tortoise spectated attack to but 3 goals. But Wilkinson, starting his second game, gave good indication of talent for next season's ball club at goalie. City College, despite good stickwork, was able to find but three openings. Adams, Masuras, Peetros, and Shaughnessy, playing alternately, created an impregnable ring around an already Wilkinson-locked goal.

Barno, Loweree, Fugmann, Poe, Wise, and Young formed an attack which exploited the excellent coaching of Herman "Eppie" Epstein. Fast breaks from face-offs, hustle across the midfield line to go extra 4 on 3, and the ability for the homes to control the ball behind the goal totaled the obvious punch.

The Epmen brought home a long overdue victory from New York, having been vanquished in 1951 in a game where a superior Drexel team was stunned by the bright lights of the Bowery resulting in a 9-7 upset. This time, however, on the same field, marked with a pitcher's mound in the middle, LACROSSE on Page 7

Apple Pies Near IF Ping Pong Crown

Alpha Pi Lambda virtually assured themselves of at least a first place tie in the I-F Ping Pong League as they scored an easy 3-0 victory over Sigma Pi. Tau Kappa Epsilon pulled the upset of the week as they won 3-0 over Lambda Chi Alpha, while second place Sigma Alpha Mu found the going surprisingly rough before they finally won over last place Delta Kappa Rho. Pi Kappa Phi slammed Theta Chi for a 3-0 victory in the final game of the week.

Led by an opening 2-1 victory by Chris Karankaitis over Bill Ringler, Apple Pie's Don Snyder and Joe Williams swept to 2-0 victories over Jim Gildea and Jim Hoffman to win their sixth straight.

TKE upset the Lambda Chi's in their match as Bill Piercy beat Jack Stout in the opener to give the Tekes an early lead. In the next two matches Jack Taylor and Chuck Mattis, representing Lambda Chi, took Dick Voorhees and Alec Warhop each to three games before losing close matches to the victors.

Pi Kappa Phi toppled Theta Chi 3-0 as George Murray and Jim Chapman beat John Gerlach and Bruce Yelland 2-0. Jim Weber ended the match as he edged Ken Rush 2-1.

The Sammies assured themselves of second place as Herb Glazier and Jack Mendelsohn rapped Bill Kraft and Mike Paoletto 2-0. Bob Rhodes forced the match to four games as he topped Joe Feinberg 2-0. The combined forces of Glazier and Mendelsohn proved too much as their match was a 2-1 victory over Kraft and Paoletto.
